2021 Family Violence Prevention Week Mini-Grants

The Premier's Action Committee on Family Violence Prevention (PAC) encourages Island municipalities and community organizations to play an active role in 2021 Family Violence Prevention Week, 14-20 February, 2021. PAC is marking 25 years of work to end family violence!

Family Violence Prevention Week highlights PAC's vision of a society where all individuals are safe, respected and valued; where any form of violence is unacceptable; and where people have opportunities to reach their full potential and contribute to the overall well-being of families and communities.

Encouraging Islanders to reflect upon, learn about, and take action on family violence prevention is important. To provide a little help with expenses that might come up in hosting a Family Violence Prevention Week event, PAC invites municipalities and community organizations to apply for a \$100 mini-grant.

Municipalities and community organizations are eligible to apply for a single grant in support of an event during Family Violence Prevention Week that is consistent with the PAC vision (see B.2 on the application form below). This year we encourage groups to connect in different ways, finding alternatives to meeting in person. If your group is planning any in-person activity, your group is responsible for following the guidelines from the Chief Public Health Office.

Your imagination can be your guide about what would be the best fit for your municipality or community organization. The funding might help with printing, materials, promotion, or other expenses. Up to 20 grants will be awarded.

We've kept the attached application form simple. **This year, successful applications will be funded on a rolling basis (first come/first served) until 20 grants have been awarded.** Applications close at **5:00pm on 11 January, 2021**. Early submissions are encouraged.
